Finishes, like other colors, only feature finishes without accessories.

USEFUL INFORMATION

Recommended maintenance:

- Clean the surfaces of the radiators using soft cloths so as not to scratch the paint.
- Do not use chemical products for cleaning as they could corrode the paint.
- Do not use porous terracotta humidifiers.

The colours represented on this page are not be considered definitive. The different technological painting processes and the materials used for applying it may not correspond perfectly to the colour tone of the product delivered.

The company Irsap reserves the right to make any modifications it deems necessary for improving the product at any time.
